Letter No. 221 dated 10.6.'52 from the Director of Archaeology in Mysore requesting sanction for the printing of Guide-Book to Sravanabelgola

1) The Director of Archaeology states that copies of the "Guide to Sravanabelgola in English, Kannada & Hindi published by the Mysore in 1940 and 1944 have been sold out, that there will be a great demand for this Guide-Book on account of "Mahamastakabhisheka" ceremony of Sri Gommatswara to be held during February 1953 and requests in the circumstances explained, sanction for reprinting and reprinting 1000 copies each of the Guide-Book in English, Kannada & Hindi at a cost of about Rs 4,000/= meeting the same from the Contingent Grants of the department.

2) The Director further states that the entire cost of Rs 4000/= can be realised out of the Sales of the Guide-Book.

3) As the rates of Govt. Presses are nearly as high as private presses and in view of the delay due to much of work in the Govt Press the Director proposes to entrust the printing work of the Guide Book to a private press calling for quotations from presses approved by the Stores purchase Committee

GENERAL & REVENUE SECRETARIAT

EDUCATION BRANCH

Department of Archæology,

Mysore, 10th June 1952. ~~195~~

FROM

THE DIRECTOR OF ARCHÆOLOGY,
MYSORE.

To

The Secretary to the Government of Mysore,
Local Self-Government Department,
Public Offices, BANGALORE.I.

Sir,

I write to state that all the copies of the Guide to Sravanabelgola (English, Kannada and Hindi) published by this Department in the years 1940 and 1944 have been sold out. It is learnt that the "Mahamastakabhisheka" ceremony of Sri Gomatesvara will take place some time in February 1953 when pilgrims and visitors from all parts of India will congregate in large numbers at Sravanabelgola. In view of the popularity of Sravanabelgola as an All India centre of pilgrimage and tourist traffic, it is very necessary to revise ~~xxxxx~~ and reprint this guide book, and release it for sale to the public. The cost of printing a thousand copies each of the guide book (crown octavo size) in English, Kannada, and Hindi as was done previously will come to about Rs.1000/-. Since there is a large demand for these books, the entire cost can be realised out of its sales. At present the rates charged by the Government Press are nearly as high as that of other private presses and the work of printing at the Government Press will usually be delayed due to the rush of work there. It would therefore be desirable to entrust the printing of this work to a private printing press where it can be printed quickly. Orders for printing in a private press will have to be placed after calling for quotations from presses approved by the Stores Purchase Committee.

In the circumstances explained above, I request that orders of Government may kindly be obtained at a very early date sanctioning the expenditure of Rs.1000/- required in this connection which will be met from the provision made under "Contingencies" in the current year's Budget of this Department.

Yours faithfully,

(K. Narayana Iyengar)
Ag. Director of Archaeology. 10/6/52
